SNOW CLOSURE

Children can continue their learning at home by:

- Times tables and number fact practice
- Reading their school reading and library book
- Revise previous spellings
- Complete the **winter reading comprehension** booklets for children in Y2-Y6. These can be accessed via the school website under the **parents > snow day**. If you would like a printed copy of these in advance so you have them ready, please let us know and we can print them for you.

Other optional learning ideas:

- **SNOWBALLS** Throw snowballs, measure and record the distance
- **SNOWPERSON** Build the tallest snowperson or snow creature you then can and measure it.
- **SLEDGING** Time sledge races
- **SNOWFLAKES** Make symmetrical snowflake patterns by folding and cutting paper
- **DIARY** Write a diary entry about your wintry day, or a day in the life of a snowperson
- **INSTRUCTIONS** Create instructions with pictures on how to build a snowman
- **WEATHER REPORT** Watch News Round and write a report on the weather
- **WEATHER FORECAST** Watch the weather forecast and create your own, present this and record it.
- **DRAW or DESCRIBE** Look out the window, draw what you see and write a description
- **IT'S NO JOKE!** Think of a snowy joke
- **BAKING** Create something delicious in the kitchen!

Snow Day Bingo

Can you complete a row of activities on this snow day bingo board?

Can anyone achieve a full house?

Read a book (or a chapter from a book) that has a snowy setting or character.	Build a snowman.	Make a paper plate snowflake or snowman decoration.	Tidy your bedroom.	Aim a snowball at a target.
Write an acrostic poem for the word 'snow'.	Help to shovel some snow from a pathway or driveway.	Put on some thick winter gloves.	Go on a wintery walk.	Put some food out for the birds.
Wear a woolly hat.	Play a board game.		Drink a hot chocolate.	Make a snow angel.
Ride on a sledge.	Dance to a snowy song.	Write an imaginary story about a snow day adventure.	Wrap yourself up in a blanket or duvet.	Make some footprints in the snow.
Make a wintry collage using clippings from newspapers and magazines.	Have a snowball fight (but be careful!).	Build a snow fort (or a warm inside fort made from blankets).	Carefully, use white paper and scissors to create a symmetrical snowflake.	Catch a snowflake on your tongue.

Remember to take photographs of your snow people or animals, snow angels and other fun things you have been doing and tweet them @EastMortonCEP or send them to office@emp.bdat-academies.org

We LOVE seeing all the fun you have!

Kind Regards

Mrs A. Proctor
Head Teacher
