

THIS WEEK IN SCHOOL

Everyone, Every chance, Everyday!

On Monday this week, children from Years 1–6 took part in Road Safety Sessions led by external visitors. The sessions provided valuable advice and practical tips to help children stay safe when travelling to and from school, whether walking, cycling or using public transport.

We were delighted to welcome parents and families to our Nursery Sports Morning. Despite the warm weather, the children thoroughly enjoyed showing off their skills and enthusiasm, and it was wonderful to see so many parents cheering them on.

A highlight of the week was the Year 6 performance of Mystery at Magpie Manor. The children gave a fantastic performance, demonstrating confidence, talent and a great sense of humour. We are incredibly proud of them.

Our annual Sports Day took place on what turned out to be an even hotter day! The children showed excellent sportsmanship, determination and team spirit throughout the event. A huge thank you goes to Mr Coates for organising the day, to all the staff and volunteers who helped, and to Friends of East Morton for providing refreshments.

Today, Year 6 children had a 'Fast Forward' Transition Event, organised by CLiKs (Christian Links in Keighley Schools). This gave children an opportunity to reflect on the transition to secondary and to look ahead positively to the next stage of their education.

Reports have been sent home today and we hope you enjoy reading about the achievements the children have made, both academically and socially, emotionally and spiritually this year. If you have any feedback relating to your child's report, [please use this online feedback form](#).

VALUES EDUCATION

On Tuesday, Mrs Petts led our collective worship, using the story of Abraham's servant she talked about what we can do when faced with tough decisions. On Wednesday the Open the Book team shared the story of The Healing of the Paralysed Man, in which 4 friends work together against the odds to bring the paralysed man to Jesus to heal, demonstrating teamwork, faith, and relentless determination in helping someone in need. On Thursday Key Stage worships led by Mrs Beecroft and Mrs Carr focussed on 'The journey of life!'

SUMMER FAIR THANKS

A huge thank you to our fantastic 'Friends of East Morton', staff, volunteers and everyone who helped organise and run our Summer Fair. Despite the rainy weather, the event was a great success and a wonderful example of our school community coming together. We are incredibly grateful to everyone who attended, supported the stalls, donated items and helped create such a positive atmosphere. Your enthusiasm and support make events like these possible, and we truly appreciate all your efforts. Thank you for helping to make the day such a memorable one.

SAFEGUARDING

If children are out and about on bikes this summer, please make sure they are wearing a helmet and have the necessary bike skills to stay safe. The British Cycling website has loads of useful tips and information for families who are taking to two wheels with children of all ages. [Visit their website for full details.](#)
